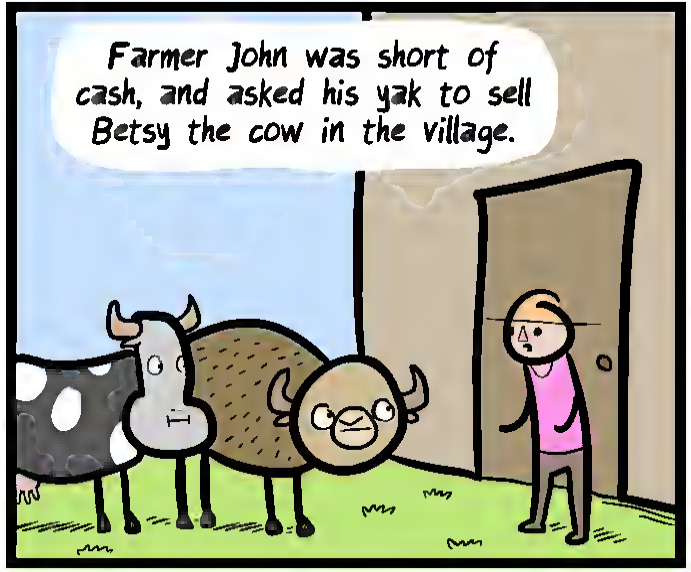
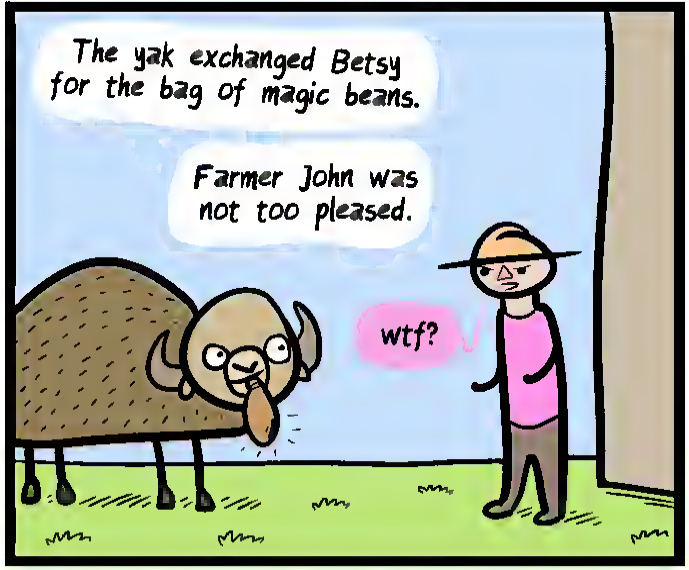
Yak and the beanstalk

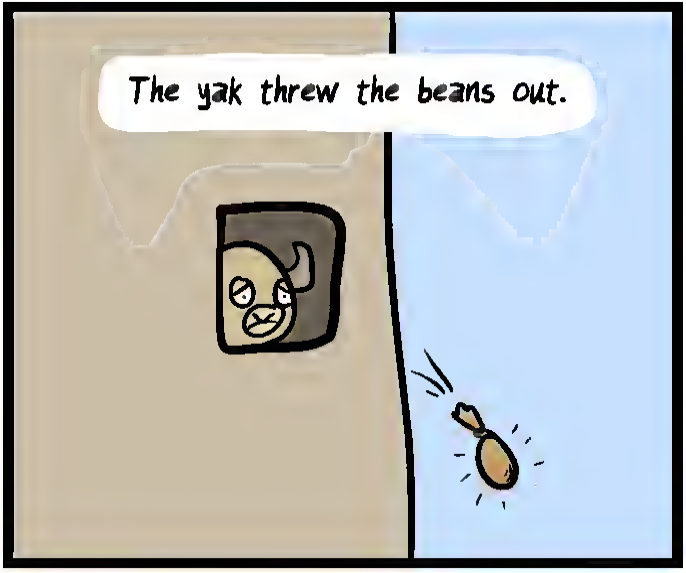


Farmer John was short of cash, and asked his yak to sell Betsy the cow in the village.

In the village, the yak met a man who had a bag of magic beans.
it will lead you to untold riches!



The yak exchanged Betsy for the bag of magic beans.
Farmer John was not too pleased.
wtf?



The yak threw the beans out.

The beans grew into a giant beanstalk.

The yak couldn't climb the beanstalk because he was a yak.
